PRELIMINARY AMENDMENT

Mail Stop Non-Fee Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Please amend the subject application by substitution of the attached Figure 6 for the Figure 6 as originally submitted in the above application.

REMARKS

Figure 6 as originally submitted in the above application was inadvertently and incorrectly labeled Prior Art. As noted in paragraph 0012 on page 5 of the above Specification, Figure 6 refers to copending U.S. Patent Application No. 10/288,706, of which the above application is a continuation-in-part (see paragraph 0001 on page 2 of the above Specification). Figure 6 in the above application illustrates the same structures as Figure 10N of the '706 application. The substitute Figure 6 is identical to the Figure 6 as originally submitted in the above application except for deletion of the legend Prior Art.

Respectfully submitted,

Dennis W. Gilstad, Reg. No. 36,810
